

***Think HE'LL pay  
Wisconsin's Oil Franchise Tax?***

*Ewell B. Payin, Oil Baron*

**Politicians in Madison have proposed a hidden tax  
that rises as the price of gas goes up.**

*They say Big Oil will pay, but  
experts agree Wisconsin families  
will get stuck with the bill.*

**Wisconsin's roads and  
infrastructure are too important to  
trust to a gimmick. Call the  
legislative hotline and tell them you  
oppose the oil franchise tax.
